

ACADEMIC TRANSCRIPT REQUEST PROCEDURE

An academic transcript is a record of each credit course a student was or is currently enrolled in at First Coast Technical College. It lists the course numbers, titles, hours and grades earned, along with any available certificate information. If you would like to request a transcript, please read the following information carefully:

The release of a transcript requires the signed authorization of the student, usually via the transcript request form(PDF).

We do not currently offer electronic transcript services. Transcripts cannot be sent via email.

First Coast Technical College does not charge a fee to mail transcripts, however there is a charge for any transcripts after the first copy. There is a \$10.00 charge for additional copies.

Official transcripts can be sent via mail only. If an official transcript is sent directly to the student, it must remain in a sealed envelope.

Regardless of how ordered, transcripts cannot be provided immediately upon request. It takes approximately 5-7 business days to process transcript requests.

FCTC is not permitted to provide transcript services to any current or former student who owes money to the College. Please ensure that all holds have been cleared prior to requesting a transcript.

FCTC cannot send transcripts from other institutions. If you have transfer credits, transcripts for those courses must be requested from the originating institution.
