Thank you for inquiring about using your Military benefits at FCTC. We are honored that you are considering our school for your education!

**SUBMIT YOUR FORM TO ACTIVATE YOUR BENEFITS**

Active or retired members of our military can access the necessary forms online. Go to: [http://vabenefits.vba.va.gov/vonapp/main.asp](http://vabenefits.vba.va.gov/vonapp/main.asp)

Please remember to print a copy to bring to our office! You will need to provide us with a printed copy of your online/vonapp form & a copy of your DD-214 (Member 4). You can complete paper forms in our office, but be advised that paper forms take significantly longer for the VA Office to process.

- First time using your benefits? Complete a 22-1990 form.
- Dependents/Survivors (Chapter 35) need to complete a 22-5490 or 22-5495 if you are changing programs.
- If you would like to speak with the Central VA Office directly, call 1.888.442.4551.

**ALL VA APPLICANTS ARE REQUIRED TO PROVIDE TRANSCRIPTS**

The Veterans' Assistance Office requires each school to evaluate prior training & education transcripts to determine if credit can be awarded for previous classes and/or experience. Veterans are required to provide transcripts from all schools attended, including military training. For students in a program at least 6 months long, you have a maximum of 12 weeks to submit transcripts to the Financial Aid Office. Students in short term programs must submit their transcripts prior to certification. If you do not submit your transcripts, FCTC cannot certify your VA benefits & enrollment.

The program instructor will evaluate the VA student’s previous training and/or experience. Should credit(s) be accepted and/or granted, the VA student’s tuition and training time will be reduced proportionally. The student will receive notice of credit(s) allowed. Military transcripts can be accessed here: [https://jst.doded.mil/smart/signIn.do](https://jst.doded.mil/smart/signIn.do).

**VERIFYING YOUR ENROLLMENT**

It is the responsibility of the VA student to verify his or her enrollment each month. Starting with the last day of the month, students may verify their enrollment for that month by calling 877.823.2378. Or, students can go to: [http://www.gibill.va.gov/resources/verify_attendance/](http://www.gibill.va.gov/resources/verify_attendance/).

*Chapter 33 Post 9/11 Veterans are not required to verify their attendance.*
Satisfactory Academic Progress

Standard of Attendance

- VA students are required to attend all classes. Excused absences will be granted only for extenuating circumstances that must be substantiated by written documentation by the agency (doctor’s office, hospital, court, etc.) and must submit the written documentation to the instructor at the next class meeting. Educational benefits of VA students who accumulate four (4) days of unexcused absences in any calendar month will be terminated from VA benefits.

- A student whose VA educational benefits have been terminated for unsatisfactory attendance may petition the school to be re-certified after 20 school days have elapsed. Veterans may continue classes without receiving VA benefits providing all fees are paid.

- The VA office requires financial aid to check attendance on the first and last day of each session. Be advised that we are required to report when you are absent & adjust the session dates accordingly, which may result in the VA reducing your payment or requiring repayment.

Standard of Progress

- VA students must maintain a 2.0 or better Grade Point Average in order to maintain benefits.

- Each VA student is expected to complete the program within the number of training hours (clock hours) approved by the Bureau of State Approving Agency for Veterans Training, Florida Department of Veterans’ Affairs. The student must maintain a minimum grade point average of not less than 2.0 GPA (C) each grading period. In addition, the student must meet any skill or technical requirements of his or her particular program.

- A VA student who has not attained and maintained satisfactory progress (2.0 GPA or better) at the end of any grading period will be placed on academic probation for the next grading period. If the student does not attain or maintain satisfactory progress at the end of the probationary period (semester), the student’s VA educational benefits will be terminated for unsatisfactory progress.

- A VA student whose educational benefits have been terminated for unsatisfactory progress may petition the school to be re-certified after 90 school days have elapsed.
