

Instructor Bio

Mark C. Schmidt

Mr. Schmidt is the National Alternative Fuel Vehicle Training Consortium (NAFTC) Alternative Fuel Vehicles Instructor. As AF Instructor for the NAFTC, Mr. Schmidt's primary roles and responsibilities include conducting training classes and workshops at the local, regional and national level; providing technical expertise in the development of curriculum for the NAFTC; providing technical assistance to the NAFTC's 50 National Training Centers (NTCs) and assisting NTC instructors with implementing training curricula. Mr. Schmidt's other duties include also speaking and presenting at industry conferences, supervising graduate assistants and other student workers, and providing content for NAFTC publications.

Mr. Schmidt has over 42 years of experience in the automotive industry, including over 16 years of experience in the alternative fuel vehicle industry. Prior to joining the NAFTC, Mr. Schmidt served as the Director of the Alternative Fuel Vehicle program at Ohio Technical College (OTC) and Automotive Training Coordinator at Hickok, Inc.
