Most local agencies work a one day on, two days off schedule. Therefore, our classes will typically meet every "B" shift, but not when the third day is on a Saturday or Sunday. The 2019 class will meet on Tuesday and Friday the first week, Monday and Thursday the second week, and Wednesday the third week. Then the cycle repeats. Class/lab day hours are 9am to 6pm.</p> <p>In addition to scheduled class and lab days, students will work with the instructor to schedule additional individual clinical and rescue internship days/times during P II and P III.</p>
