

St. Johns County School District

Graduation Security Guidelines for First Coast Technical College

For your safety and the safety of others, all guests are subject to a security screening prior to entry inside First Coast Technical College.

This will include, but may not be limited to, inspection of all bags and handheld items as well as magnetic wand to screen all guests at the secured entrances.

Guidelines:

- Bags will be permitted after inspection and are asked to be under 12" X 6" X 12" in size
- Animals are not permitted, other than registered service animals
- Alcoholic beverages, weapons, knives and illegal drugs are not permitted.
- Noise makers, whistles and air horns are not permitted.
- Guests will not be permitted to check or store items at First Coast Technical College entry points or inside the venue. Guests will be asked to return unacceptable items to their vehicles or dispose of them prior to entrance to the venue.
- Possession of prohibited items inside First Coast Technical College are grounds for ejection without re-entry.
- St. Johns County Schools and event staff and security are NOT responsible for lost, left behind, abandoned, stolen, or otherwise damaged items.
- If there is doubt about if something will be permitted, please err on the side of caution and leave it at home or in your vehicle.

Graduation at First Coast Technical College is a school based, SJCS D sponsored activity. As such, all St Johns County School District procedures and policies are in effect the same as a site-based school function.

St Johns County Schools promotes Character Counts!
