Section 1 PRACTICAL NURSING Obtaining Your Background Check

Background checks are required for incoming students to insure the safety of the patients treated by students in the clinical education program. You will be required to order your background check in sufficient time for it to be reviewed by the Career Specialist or associated hospital prior to starting your clinical rotation. A background check typically takes 3-5 normal business days to complete.

The background checks are conducted by PreCheck Inc., a firm specializing in background checks for healthcare workers. Your order must be placed online through StudentCheck.

- Go to www.mystudentcheck.com
- select your School and Program from the drop-down menus for School and Program. It is important to select your school and program as: **First Coast Technical College - Practical Nursing**

Complete all required fields as prompted and hit *Continue* to enter your payment information. The payment can be made securely online with a credit or debit card. You can also pay by money order, but that will delay processing your background check until the money order is received by mail at the PreCheck office. For your records, you will be provided a receipt and confirmation page of the background check performed through PreCheck, Inc.

PreCheck will not use your information for any other purposes other than the services ordered. Your credit will not be investigated, and your name will not be given out to any businesses.

SECTION 2 DENTAL ASSISTING, MEDICAL ASSISTING AND HOME HEALTHAIDE

Obtaining Your Background Check

Background checks and drug screening are required for incoming students to insure the safety of the patients treated by students in the clinical/extern/practicum education program. Your results must be submitted in sufficient time to allow for items to be reviewed by the Career Specialist. A background check typically takes 3-5 normal business days to complete. Background checks are conducted by the Florida Department of Law Enforcement and the FDLE does not release Social Security Number information.

There will be a charge on your credit card for each name search performed, regardless of search results. This Internet service will provide you with a list of possible matches similar to the subject of the inquiry.

Falsifying or altering any of the returned information with intent to misrepresent the contents is prohibited by law and may be punishable as a felony when done with intent to injure or defraud any person.

FDLE Student Background Check Ordering Steps:

1. For the student background check go to <https://web.fdle.state.fl.us/search/app/default>
2. Under the search tab, complete all required fields as prompted and hit submit to enter your payment information. The application will first ask for information about you and the credit card that you will use to pay for the services. The purpose for this information is to validate the credit card payment and to allow FDLE to fulfill its requirements for criminal history dissemination.
3. After submitting your customer information, you will continue to the entry of search criteria. The accuracy of the information you provide is critical to the search results since records searched are based on your submission information.
4. After submitting the search criteria, you will confirm the information and accept the fee for the search. You will be presented a receipt which you can e-mail and/or print for your convenience. *We strongly encourage you keep the receipt for your records in case you experience problems with the Internetservice.*

5. Search results are returned directly to your browser screen. Search results will not be sent by regular mail. Review the possible matches individually, by evaluating all the demographic information that is available. You should begin by looking at the complete name, sex, race, date of birth, SSN and any other identifiers that may be present, such as alias name, additional dates of birth or SSN, height, weight, eye, and hair color. Do not assume that the possible match will always be the first or second candidate.
6. The Search Results Page displays the possible matches to the search criteria that you have entered. The result of the search could indicate that no record was found on the subject, that a single subject matched the search criteria, or that there were multiple possible matches.
 - a. If there was no record found, there is no criminal history on file for the subject based on the info provided. No additional charges apply beyond the original fee.
 - b. If a single match occurred, the subject's criminal history will be returned. No additional charges apply beyond the original fee.
 - c. If more than one record matched the search criteria, you will be presented with a choice of up to five candidates that matched. You will then select the record(s) you would like to receive. The criminal record for one selected candidate is included in the fee. Should you elect to receive records on more than one candidate, you will be charged an additionally for each candidate you select.
7. When you get to the Select Candidates page, you may select the record(s) you would like to receive by clicking the "Display History" button next to the subject. Only subjects that are selected will be displayed once you click the "Display History" button.
8. **Your search results are returned instantly. Have your results emailed to yourself then forward the results to fctchealth@stjohns.k12.fl.us**
