FCTC Update:

Chris gave an update on FCTC. Advised that lighting has been improved on campus. We are also working toward swipe badges for night students to improve security. It appears that if we continue on the same path as we have been, we may end the year in the black budget-side. We will begin interviewing for our Operations Confidential Staff Secretary after Spring Break. We have filled the positions of Financial Aid and Financial Analyst over the last few weeks. We had our first incarcerated student pass their GED and Chris will be conducting a mini graduation ceremony for the student tomorrow.
