

FCTC School Advisory Council Minutes

March 11, 2019-Principals Office

Attendance: Gabe Sacco

Chris Force

Wakilah Augustus

Ruth Anderchin

Maria Avila

Call to order 9:08am- Chris called the meeting to order

News/Updates-Facility new flooring automotive, diesel and HVAC. Two serious water leaks it was 4 ft. and 6 ft. down, it was a cold day and steam was coming from the ground. Curriculum update, Flagler was looking at adding programs really looking at the community to see what types of programs we could implement. Carpenter (form carpentry), electrical, plumbing construction. Speaking with contractors to see what is needed. Gabe- shorter CTE, time discipline and time management, take a field trip to get a visual and how the process works.

Medical Field: Surgical technician, patient care technician and mental health technician,

Patient Care Technician would be incentive to go further to get LPN which you could possibly make more money by doing so.

The walk in clinics and hospitals have the needs to this type of professionals

Principal Update:

New Business: Upper management from Ring Power was very happy from the last meeting, Gabe will be having the career fair and there are many career fairs coming to St. Augustine. Crisis for technicians are currently happening and there is a huge need.

Gabe expressed again how impressed they are with students coming out of the school. Is processing 2 students currently to be hired.

Meeting was adjourned at 9:38am
