

# ***STUDENTS, TEACHERS & STAFF***

## ***BEHAVIOR EXPECTATIONS WHILE ON CAMPUS DUE TO COVID-19***

Public health officials are recommending actions to reduce exposure to COVID-19. These actions can help slow the spread and reduce the impact of disease. It is very important for us to take steps to stay healthy.

### ***PROTECT YOURSELF***

Stay informed. Take actions to protect yourself and others:

- Social distancing 6 feet apart always, inside or outside FCTC campus.
- Always wear a mask while on FCTC campus. This includes all FCTC activities and lunch if you are staying on campus.
- Hand sanitizing, wash hands frequently with soap and water and use hand sanitizer in between.
- Wash your hands when returning to campus during learning lab time.

***FCTC reserves the right to have a student leave campus if they are not following these behavior expectations due to COVID-19.***
