First Coast Technical College is committed to a policy of nondiscrimination in employment and educational opportunity and its programs are open to all eligible students. No person shall be discriminated against or harassed in any educational program, service or activity, or employment conditions or practices, on the basis of race, color, national origin, religion, sex, age, disability, marital status, or sexual orientation.

Lack of English language skills will not be a barrier to admission and participation. FCTC may assess each student's ability to benefit from specific programs through placement tests and counseling and, if necessary, will provide services or referrals to better prepare students for successful participation.

Connect with
an education
as unique as you
