

ATPC 1510 - Codes & Standards

June 5-9, 2023 (M-F 9 am-6 pm), Cost \$175.00

Course Description: Codes & Standards is a vital segment in completing the fire prevention inspector's certification requirements. This program is designed to familiarize inspectors with the five basic units of NFPA 101. Codes & Standards includes statewide Fire Prevention Code NFPA 1.

Textbook (preferred but not required): FL FIRE PREVENTION CODE BOOK - 7TH ED. WITH TABS

ATPC 2521 - Construction Documents & Plans Review

June 19 –23, 2023 (M-F 9 am-6 pm), Cost \$175.00

Course Description: Construction Documents & Plans Review is geared toward teaching the student how to assimilate information contained in working, drawing and specifications as they relate to the fire inspector. The curriculum includes how to interpret conventional graphic communications. Accepted standards and conventions are introduced. Symbols, abbreviations, principles of technical projection, as well as a review of construction arithmetic and geometry are included. Related worksheets are used to allow for applied experience of finding and interpreting information from authentic drawings. **Students must bring an architectural ruler.**

Textbook (preferred but not required): PLANS EXAMINER FOR THE FIRE & EMERGENCY SERVICES, 2nd Ed. IFSTA ISBN# 978-0879396084

These programs are part of the Florida Fire Inspector I Certification.
