# Annual Security Report

2025 - 2026

On March 7, 2013, Former President Obama signed the Violence Against Women Reauthorization Act of 2013 that, among other provisions, amended section 485(f) of the Higher Education Act of 1965, otherwise known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act).

The Clery Act requires institutions of higher education to comply with certain campus safety and security related requirements. This act also requires First Coast Technical College (FCTC) to circulate information regarding certain on-campus crimes to all faculty, staff and current and potential students.

FCTC is a component school of the St. Johns County School District (SJCSJ). Both FCTC and the SJCSJ are committed to providing safe surroundings for all faculty, staff, students, and guests. These individuals must feel safe at all times and must be able to report criminal actions or other emergencies. The Main campus maintains an information desk where faculty, staff, students, and guests are encouraged to promptly report any criminal or suspicious activity. Additionally, faculty, staff, student, and parents can report suspicious activity via the Fortify FL app.

### **Reporting Crime & Suspicious Activity**

All incidents involving a crime or otherwise affecting health, safety, welfare, or property occurring on FCTC property or on public property adjacent to FCTC should be reported to the Reception Desk located in Building A on the Main Campus. The Reception Desk at the Main Campus may be reached by dialing 1-1111 in an emergency from any campus phone. It may also be reached by calling 904-547-3282. The public, students, faculty, staff, and guests are encouraged to report all crimes immediately. Crimes at the Public Safety Campus may be reported to the Main Campus Reception Desk by dialing 1-1111. Crimes should also be reported to local law enforcement via 911, especially after hours or on weekends when the reception desk may not be staffed.

Furthermore, any suspicious activity or person seen in the parking lots or loitering around vehicles or inside buildings should also be reported immediately. In the event of imminent danger, individuals should call 911. The Main Campus Reception Desk - 904-547-3282 or Director's office - 904-547-3301 may also be contacted to report a crime or suspicious activity.

### **Timely Warning**

A Clery Act crime is defined as an incident considered to represent a serious or ongoing threat to students, faculty and staff and implemented by The United States Department of Education regulation. District Administration, FCTC Director or other designated administrator will make the determination of a Clery Act crime when a report is issued to Campus authorities or local law enforcement. A Timely Warning will be issued as soon as the pertinent information is received. The warning will be issued to the campus community through the P.A. campus wide system. Faculty will be responsible for notifying students and a two-way radio system will be utilized to warn all response team members. Supplemental notifications may also be distributed via the FCTC or school district websites. Faculty, staff and students will also receive such notifications via the school district's mass notification system. Anyone with information warranting a timely warning for any campus should report the circumstances to the Main Campus reception desk by phone 904-547-3282 or in person.

### **Disclosure of Crime Statistics**

FCTC prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our website at [www.fctc.edu/about/safety](http://www.fctc.edu/about/safety). This report is prepared in cooperation with the local law enforcement agencies surrounding the St. Johns County. The previous year crime statistics for each campus are listed at the end of this report.

Campus crime, arrests and referral statistics (of a Clery nature) include those reported to the St. Johns Sheriff's Office. Those crimes used in compiling statistics include the following: murder, manslaughter, robbery, aggravated assault, burglary, motor vehicle theft, arson, liquor law violations, forcible sex offenses, non-forcible sex offenses, hate crimes, domestic violence, dating violence, and stalking.

Each year this report is provided to all current faculty, staff and students via the FCTC web page.

Faculty, staff and students experiencing a crime that do not choose to pursue action within FCTC system or through the criminal justice system have the option of making a confidential report. Confidential Reports will be kept confidential but will still take steps to ensure the future safety of yourself and others. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

### **Crime Logs**

FCTC maintains a crime log. This log is available to faculty, staff and students upon request. The log lists crimes for each specific campus and are publicly available during normal business hours at the Main Campus reception desk. The log includes the nature, date, time and general location of each crime, and the disposition of the complaint, if known. Logs shall include the most recent 60 days and prior logs must be made available within two (2) business days of a request.

### **Campus Security Authorities**

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the term Campus Security Authorities includes members or individuals who have significant responsibility for student campus activities. Campus Security Authorities may include but are not limited to the Director, Assistant Director of Operations, College Deans, reception desk staff, and Student Advisors. The Director or designee determines which faculty or staff on the individual campuses are Campus Security Authorities. The Director or designee annually sends a written notification to the Campus Security authorities describing the obligation to report crimes to the campus security office.

### **Access to Facilities**

FCTC strives to maintain a safe and secure atmosphere for faculty, staff, students, and the public so that they are not unreasonably concerned about their personal safety. The College, as with any other public or private entity cannot guarantee a crime-free living or working environment. Access to FCTC instructional locations during business hours is open to faculty, staff, students, contractors, guests and invitees. During non-business hours access to all College facilities is by key or electronic access badge, if issued, or by admittance via the Director's office or by Campus Security Authorities. In the case of periods of extended closing, the College will admit only those with prior written approval to all facilities. Emergencies may necessitate changes or alterations to any posted schedules.

### **Pastoral Counselors and Professional Counselors**

FCTC does not employ Pastoral Counselors or Crisis Counselors to encourage individuals to report crimes on a confidential basis.

### **Student Organizations**

FCTC does not have student organizations with off-campus locations.

**Crime Awareness for Faculty, Staff, and Students**

FCTC employs a variety of technologies and processes to deter crime on its campuses. In addition to the presence of a St. Johns County Sheriff's Office Deputy (Main Campus Only), the college uses surveillance cameras in many areas of its facilities. Each campus implements efforts to educate faculty, staff and students regarding crime prevention, such as awareness training during orientation. In addition to awareness training faculty, staff and students also receive e-mails during the school year about safety on campus. A common theme of all awareness and crime prevention programs is to encourage faculty, staff and students to be aware of their responsibility for their own security and the security of others.

**Campus Law Enforcement Authority**

FCTC in conjunction with St. Johns Sheriff's office has a Deputy on the Main Campus during parts of the year, in daytime hours. The Deputy has complete authority to apprehend and arrest anyone involved in illegal acts on the Main or Public Safety Campus and areas immediately adjacent to the campus. If minor offenses involving College rules and regulations are committed by a college student, the Deputy may refer the individual to a Student Advisor or Administrator.

**Drug and Alcoholic Beverage Policy**

In accordance with the Drug Free Schools and Communities Act Amendments of 1989, FCTC prohibits the possession, use or distribution of illegal drugs and/or alcohol on college premises or as part of any College sponsored event. The college has developed this policy to provide a healthy environment by preventing the use of illegal drugs or the abuse of alcohol within the college community. Violators are subject to disciplinary action, criminal prosecution, fine and imprisonment. It is unlawful to sell furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or place open to the public is illegal. Information on the effects of specific drugs and alcohol and drug counseling resources are available in the Student Services Office of Advising. Listed are some of the resources available to FCTC staff, faculty and students.

The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are obeyed by Campus officials and enforced by St. Johns County Sheriff’s Office. Violators are subject to college disciplinary action, criminal prosecution, fine, and imprisonment.

## **Lock Down Procedure**

The Lock Down Procedure is used when there is a threat of violence or serious incident that could jeopardize the safety of faculty, staff and students (i.e., intruder, shooting, hostage incident, gang fights, civil disturbance, etc.) Options include the use of either a “hard” or “soft” lockdown.

## **Site Administrator or Designee**

The Site Administrator or designee will make the following announcement using the building Public Address system, 2-way radio, telephone, and/or megaphone:

### **For a hard lockdown:**

“At this time, we are announcing a hard lockdown. Faculty, staff and students are to return to the nearest classroom or office. Ignore all alarms and bells unless advised otherwise. Lock your doors, cover your door windowpane, turn off all lights, and retreat to an area away from doors and windows. Students should sit on the floor. Please remain quiet and in place until we announce the end of the lockdown.”

### **For a soft lockdown:**

“At this time, we are announcing a soft lockdown. Please lock your doors and cover your door windowpanes. Please continue classroom instruction. All students are to remain in their classroom until notification is given that the lockdown is over. There will be no class changes or lunch until notification is given.”

In many cases a lockdown will be initiated by district administrator based on information received from local law enforcement officials about a threat in the vicinity of a school campus. If the threat is detected first by campus staff, the administrator or designee will also instruct someone to Call 911, identify the name and address of the college, describe the emergency, state the college is locking down, provide intruder description and weapon(s) if known, and identify the location of the college command post. Staff should remain on the phone to provide updates and additional information.

## **Evacuation**

In the event of a fire or any other emergency that requires an evacuation the Site Administrator or designee will immediately initiate an EVACUATION announcement, direct staff to call 911 to verify the fire or emergency and notify the Director.

Faculty, staff, students and visitors will immediately evacuate the building using prescribed routes or alternate routes to the Rally Points. The Site Administrator will notify faculty, staff and of termination of emergency and return to the building to resume normal operations. In case of a fire no one will re-enter the building(s) until it is declared safe by the Fire Department.

## Sex Offense Policy, Procedures and Programs

Sexual assault is a serious crime that has a major impact on victimized individuals and the campus. The College will not tolerate sexual assault in any form, including date rape, domestic violence, sexual assault, and stalking. The College educates the student community about sexual assaults and date rape through student orientation. Literature on date rape education, risk reduction and the College's response is available through the Office of Student Services.

The priority of a sexual assault victim at this institution is to get to a place of safety and obtain any necessary medical treatment. The College's Safety Authorities strongly advocate that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. If possible, it is recommended that the assault be reported directly to local law enforcement and to a FCTC campus official.

When the college is notified that a rape or sexual assault has occurred, the college must protect the identity and right to privacy of the victim and the alleged perpetrator. Any faculty, staff or student reporting a sexual assault will be treated with respect and sensitivity. Additionally, victims who believe they have been sexually assaulted and wish further information or assistance may contact the Director or Assistant Director of Operations for assistance. All reported cases will be referred to local law enforcement.

FCTC administrators will follow specific guidelines when a sexual assault has occurred. The guidelines and contact emergency numbers are listed.

- Notify local law enforcement
- Do not move anything from the site of the sexual assault. Remember the area is a crime scene until released by law enforcement
- Notify the Director's Office and the School District Office
- Notify a First Responder if trauma/injuries are present. Call 911 if severe
- Notify the faculty, staff or student's emergency contact
- Do not allow the victim to wash, including their hands

## Procedures for Disciplinary Action

The accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding. The accuser and the accused must be informed simultaneously in writing of the outcome of any institutional disciplinary proceeding brought alleging a sexual offense. Depending upon the severity of the incident, those persons found guilty of a sex crime would be subject to a range of penalties: criminally prosecuted, mandatory counseling, suspension, or dismissal from FCTC, as well as other sanctions outlined in the Student Handbook, Faculty, Staff Handbook, and School District Policies. The institution's procedures for the victim and accused to appeal the results of the institutional disciplinary proceeding are outlined in the Student Handbook, Faculty, Staff Handbook, and School District Policies.

**Due Process Procedure**

A school official must inform faculty, staff, and students of school rules that have been violated. Faculty, staff and students have the right to present evidence or witnesses concerning the charges using the following procedures:

- Individuals must have proper notice of the charge or complaint being made against them.
- Individuals must have the opportunity to know what the specific charges or complaints are and who is making these charges or complaints
- Individuals must be given a fair and impartial hearing and have the opportunity to present evidence and/or witnesses on their own behalf at the time of the hearing.
- Individuals must have had prior opportunity to know that their actions were in violation of established rules and regulations.
- Individuals must be advised that they have the right to appeal to the next higher authority if not satisfied with the action or decision rendered at the hearing. However, if the appeal rises to the level of School Board, the decision of the School Board is final.

**Disclosures to Alleged Victims of Crimes of Violence or Non-Forcible Sex Offense**

FCTC will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by the college against the student who was the alleged perpetrator of the crime or offense. If the alleged victim is deceased as result of the crime or offense FCTC will provide the results of the disciplinary hearing to the victim's next of kin, if so requested.

**Rights/Support for Victims**

Every effort will be made to provide victims of sexual assault with support from the Student Services Office.

- Changing Academic Arrangements: When appropriate, and in the respect for the rights of victims and accusers, academic arrangements may be modified as the direct result of an alleged sexual assault. This action may be taken when requested by the victim or accuser and if such modifications are reasonable and available. These arrangements would be coordinated through the Student Advisor's office.
- Counseling Services: Those students who have become victims of a sex crime are eligible for and encouraged to take advantage of counseling services. FCTC does not offer on-campus counseling services however we will provide a list of services that are in the city of St. Augustine. Additional information as well as literature is available in the FCTC Student Advisor's office.
