First Coast Technical College

Your Future Comes First

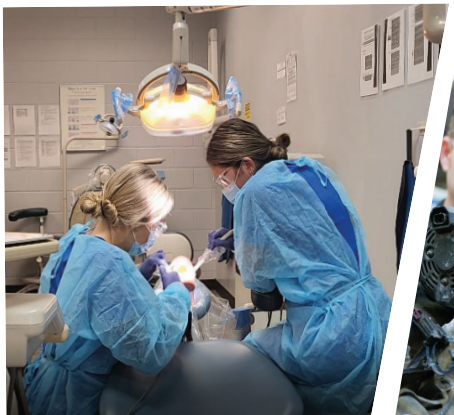

ABOUT OUR SCHOOL

Our Mission

First Coast Technical College's mission is to provide career, technical, and adult education to meet the changing needs of students, businesses, and the regional workforce.

Our Vision

The vision of First Coast Technical College is to empower students to acquire career-ready skills to become a confident contributor to the regional economy.

- The Business Community comes to us for assistance—First Thought, First Call.
- Every student receives a credential or certificate to position them for success in their career.
- First Coast Technical College is the school of choice.

Your Future Comes First. Choose FCTC.

COLLEGE CREDIT/CERTIFICATIONS/INTERNSHIPS

How to Enroll in 6 Easy Steps!

1 Tour Our Campus through a Program Information Session

- Held on the second Tuesday at 6 PM and second Thursday at 9:30 AM at our Main Campus each month (except January and August).

2 Apply for Federal Student Aid

- Grant funding, if eligible, can reduce the out of pocket expenses for several programs at FCTC!

3 Submit Your Official Transcripts

- Send your official transcript from the highest degree or diploma you've earned.

4 Apply for Your Program

- Review your program application checklist to verify what other admissions documents may be needed.

5 Secure Your Seat

- Seats are limited and fill on a first-come, first-served basis. Apply early.
- Some programs have application deadlines; see the website for important dates.
- Programs may fill prior to application deadlines.

6 Register for Your Class

- Have a plan to pay for college.
- Review the specific costs located on the program page.

Reminder: Check your emails often, including spam and junk folders. Email is our primary way of communicating.

Need Help Paying for College?

1 FAFSA

Completing the Free Application for Federal Student Aid (FAFSA) is the first step in determining your eligibility for federal, state, and school financial aid. The FAFSA is free to all students and takes less than 1 hour to complete. If awarded, federal grants may assist with tuition, fees, books, and uniforms.

2 State Grants

Students who do not qualify for federal grants through FAFSA may qualify for state grants that can assist with tuition and fees. State grants are not loans and do not require repayment. Awards are given on a first-come, first-serve basis while funds are available.

3 Veteran Education Benefits

Veteran students may use their VA Education Benefits for select programs at FCTC. VA disbursements are determined by a student's chapter benefit, and students may request use of education benefits at any time during their program by submitting required documentation.

4 Scholarships

Additional scholarships are available for students who need funding outside of federal and/or state grants. Scholarships are provided by private/public organizations as well as state/federal agencies. Application requirements may vary.
